*The newsletter of the*

## Niagara Frontier Chapter of the ASSP

*Chapter Chartered in June 1936*

**April 2019**

### **Western New York Safety Conference (WNYSC)**

This annual conference will take place **Wednesday and Thursday, April 3rd & 4th** at the Seneca Events Center in Niagara Falls, NY.

#### **What is the WNYSC?**

*"...the conference has evolved into an annual exchange of safety, health and environmental information directed toward the first line supervisor, workers, the company administrator with safety and health responsibilities, and the practicing professional."*

#### **What's planned?**

Two internationally-known keynote speakers, traditional breakout sessions, Thursday ASSP Awards Luncheon, presentations on a variety of topics, many exhibitors and daily prizes

Please consider attending this important event for health & safety professionals in WNY.

The agenda and link to registration are at this link:  
<https://wnysc.com/2019-keynotes/>.

March 14th. We were fortunate to hear from Rick Flores and his co-presenter Jeff, both of whom are former NYS Troopers who specialized in DOT enforcement. There was great interest in their presentation, good questions and lots of conversation. This was one meeting no one wanted to leave. Our thanks to Rick and Jeff for starting their morning with us!

### **President's Message**

I'm glad to share the good news that we have one person who has volunteered for the role of President for the 2019/20 program year.

#### **We are still in need of candidates for the offices of:**

- President-Elect**
- Secretary/Treasurer**

The term of office will be one year, per the changes we made in our Bylaws early this year. Please contact me by April 10th to express your interest or for more information.

Thank you in advance for considering this opportunity to serve your Chapter!

– Karen Peissinger, [president.nfssp@gmail.com](mailto:president.nfssp@gmail.com)

### **Thank you!**

Thanks to Nick Getty and Jack Loewer for organizing a very interesting joint breakfast meeting of the Construction Section and Chapter on Thursday,

### **Please note: NO APRIL MEETING**

We may have a technical meeting in May...stay tuned.
