

## *February 2022 Extra Edition*

### **Notice and Correction**

Folks, once and a while, I need to issue a correction to the original newsletter.

Due to a personal issue, Christa Grisanti has withdrawn her candidacy for Secretary/Treasurer. She indicated that she would not be able to devote full attention to the duties and responsibilities of the position and did not want to disrespect either the Members or the Society if she could not devote the time the position required. These issues come up in our lives from time to time and we need to understand as well as support the person who has to make those types of decisions with our respect and good thoughts.

I respect her for that decision and support her participating in any way she can in helping our Chapter move forward; Christa is someone to watch for future success in the Niagara Frontier Chapter and ASSP.

Having said that, we are looking for people who want to step up and take the challenge of elected office for the Niagara Frontier Chapter. Elections will be in April. We are looking for the following positions:

- President Elect
- Secretary/Treasurer

The requirements of each position are in the Bylaws that Karen has posted to the Website. In reality, the actual work requirement for each position is somewhat less than what is listed in the Bylaws. Keep in mind that if we have all 3 positions filled and we have our appointed positions properly functioning up to capacity; the workload for each position is quite manageable.

Please, Members, think of running. There are a lot of advantages to being in a Chapter Leadership position, you have a lot of ex-Leaders who will be willing to help you be successful (all you need to do is ask) and you will earn respect from your peers. Let any one of us know by email if interested; or you can schedule a quick chat with any one of us to find out what's involved. We can sure use the engagement! Let us know:
