

AMERICAN SOCIETY OF  
**SAFETY PROFESSIONALS**

Niagara Frontier Chapter

**Sad news, all.**

**Another Safety Professional has passed. Bob Szymanski died on Dec. 26, 2025. He was a Chapter member and one of the original stakeholders of our (dissolved) Construction Section. His long career with OSHA included Assistant Director here in Buffalo and Area Director in Pittsburgh, PA. Bob was a great guy, full of humor and very knowledgeable (and fair).**
